Adding one digit numbers together.
Introduction to the part, part whole model
Know the addition sign and where it can go
in a calculation.

### PSHE/RSE

### Relationships

Families and friendships- Roles of different people, feeling cared for, families.Safe relationships- Recognising privacy, staying safe, seeking permission.

# **Important Dates**

Wed 11th Sept 5pm: Meet the teacher

### Homework

This will be sent out digitally on a Friday. Please complete this by Wednesday.

Please read with your children a minimum of three times a week.

## How you can help

**English:** Look at the phonics sheet that is sent out each week to support your children with this weeks learning. Please encourage your child to read as often as possible. We are aiming for fluency with the Little Wandle book they bring home.

**Mathematics:** Continue to practise counting with your child. Help them to form their numbers to 10 accurately. Use Mathletics when you have time to consolidate classwork.
