R.E.: Islam: How might beliefs about creation affect the way people treat the world. (God as creator).

Homework

Homework will be sent out Fridays on the weekly newsletter. Please read as often as you can.

How you can help

English. Please read with your child as often as you can. The aim is for the children to read their reading books fluently. Please also practice correct letter formation.

Mathematics

Ensure all numbers to 20 are correctly oriented and begin to write these numerals as words. Add and subtract to 20 and use number lines to 20 (recognising one more or less, greater than and less than, numbers that come between two numbers and finding missing numbers on a number line. Children will also be estimating where a number should be on an empty number line).

Maths

Read, write and order numbers from 1 to 20. Count in 2s, 5s and 10s. Learn all doubles to 10.

Learn and use number bonds and subtraction facts within 20. Interpret mathematical statements involving maths signs.

Add and subtract 1 and 2 digit numbers to 20 including zero.

Begin to solve one step problems using pictorial and concrete, to include missing numbers.

PSHE/RSE

Belonging to a community, what rules are, caring for others needs and looking after the environment.

Media, literacy and digital resilience. Using the internet and digital devices and communicating online.
