

English

Class texts: 'Romeo and Juliet (abridged version)' by William Shakespeare

Writing outcomes:

Fiction:

Letters, diaries, character and setting descriptions.

Non Fiction

Information texts about Vikings and Rivers
Newspapers

Grammar: . Building cohesion within paragraphs. Revision and consolidation from Autumn and Spring.

Science Forces

Explain that unsupported objects fall towards the Earth because of the force of gravity acting between the Earth and the falling object . Identify the effects of air resistance, water resistance and friction that act between moving surfaces.

Recognise that some mechanisms, including levers, pulleys and gears, allow a smaller force to have a greater effect.

P.E.

CCB Cricket - Fundamentals - Agility: Ball chasing/Reaction & Response

Rounders and Tennis - Fundamentals - Agility: Ball chasing/Reaction & Response

Swimming

P.E. days this half term are **Wednesdays** and **Thursdays**

Cherry Tree Primary

Class 5's Learning for Summer 1

Drama: Hot Seating of characters

Art: Painting and mixed media: Portraits

Investigating self-portraits by a range of artists, children use photographs of themselves as a starting point for developing their own unique self-portraits in mixed-media.

Music: Medley Music consultant, Fran Sixsmith

Humanities

Geography: Understanding Rivers

They will find out about erosion. They will learn about the importance of rivers and find out about the causes of river pollution.

Vikings:

Why have the Vikings gained such a bad reputation? How did the Vikings try to take over the country? How have recent excavations changed our view of the Vikings?

Homework

Homework will be set every week (not holidays) and will normally consist of an English and a maths task.

Spellings will also be sent home weekly

How you can help

English

Please continue to listen to your child read and ask questions based upon the text.. When possible encourage children to read a variety of texts e.g. poetry, biographies etc. Help children with their reading prompts at the beginning of their books.

Mathematics

Play games on TT Rockstars/ Top Mark Maths. Keep working on times tables with your child. Check Mathletics for activities.

Maths

- Understand and use degrees
- Classify & estimate angles
- Measure angles up to 180
- Read and plot coordinates
- Problem solving with coordinates
- Translation with coordinates
