Homework

The children will complete a Maths task in their CGP books each week. They will also complete either a reading or grammar task in their CGP books. They will also have spellings to learn each week and be expected to complete two questions each week in their reading planners.

How you can help

English

Reading is still vital in year 6; please ensure your child reads regularly. Each term reading prompt questions will be provided (see green Reading Record) to help support reading at home. Encourage your child to read a variety of poems as well as biographies and autobiographies this half term.

Mathematics

Children should continue to practise all the times tables, in particular, the 6, 7 and 8 x table. Look out for quick mental maths activities you can do on Mathletics. Check out Times Table Rockstars for regular activities that can be done at home.

Maths

Shape: angles (measuring and calculating angles, angles in a triangle and in a quadrilateral; circles; drawing shapes and 3D nets.

Position and Direction: coordinates and problem solving, translation and reflection.

SAT's revision

PSHE/RSE

Statutory content (PHSE Association scheme)- Physical health and wellbeing.

Growing and changing.
