Homework

Homework is set on Friday and should be completed by Wednesday. Maths alternates between a CGP activity and My Maths and English alternates between a CGP SPaG activity and a CGP reading activity. Children have spellings to learn each week and should answer two reading planner questions weekly.

How You Can Help

English: Reading is still vital in Year 6 so please encourage your child to read daily and answer the reading questions in their planners.

Maths: Times tables should still be practised as they are used in every maths topic. Check out my maths for revision and booster tasks. Practice formal methods for division and multiplication.

Maths

Fractions: equivalent and simplifying, adding and subtracting fractions and mixed numbers, multiplying fractions and dividing a fraction by an integer, finding a fraction of an amount and finding the whole.

Measures: converting measures (metric and imperial) and calculating with measures.

PSHE/RSE

My Happy Mind: Shared responsibilities, showing respect and managing hurtful behaviours, celebrate and communities.
